IGNITING Your PASSION For RESILIENCE

As you invite Janet to the stage, we kindly ask that the bio not be read before Janet speaks if you choose to read it.

Feel free to extract parts from the following intro:

What if today's turmoil had an answer?

What if the fear and anxiety we feel could be removed?

What if your adversity could be what makes you stronger?

With Janet Perez Eckles there are no "what ifs," but instead the certainty that each of the above can be achieved by each of us. As an award-winning author, international speaker, and founder of JC Empowerment Ministries, Janet is here to prove that neither the turmoil, the chaos, nor the uncertainty we face today can slow us down or keep us from relishing in a joy-filled abundant life.

The secret is simply in the power of resilience. Janet has been transforming mindsets in tens of thousands through nearly 500 presentations across the U.S. and in nine other countries.

Janet has authored five books including the award-winning latest release *Now I See*. She has stories in 33 Chicken Soup for the Soul best-selling books, dozens of anthologies, as well as hundreds of print and online magazines. Her epic story of triumph was featured on national and international media, and she appeared on the cover of Hispanic Woman Magazine.

She received the following awards: the Lifetime Achievement Award, the Professional Excellence Award, the Woman of Distinction Award, the Latina Women Who Make a Difference Award, and the Alumni of the Year 2016 Award.

But her greatest reward is you, who chose to be here and will be walking out shining with resilience!

Help me welcome Janet Perez Eckles.
